

De Pere VFW Post 2113 Scholarship

The De Pere VFW Post 2113 scholarship is an endowed scholarship established at the Northeast Wisconsin Technical College (NWTC) on April 1, 2021. Unlike 99% of other scholarships that only target 4-year and higher levels of college education, our De Pere VFW Post 2113 scholarship is designed and targeted toward advancing and/or improving the many different types of craftsmen and women who serve our communities. The scholarship grants 2 individual scholarships, on average, per Fall semester.

It is designed to assist former and current servicemembers of ALL 6 combat and the 3 combat support branches of service and their family members who live and work here in the City of De Pere and Brown County. Plus, we support our adopted U.S. Army Reserve unit, the 432nd Civil Affairs Battalion, which is based in Green Bay.

Fall 2024 Recipient - Anna Kaster; Graduated December 2024 from the Nursing program

Excerpt from scholarship essay: *I am in the associate degree- Nursing program. My decision to choose Nursing was not an easy one. When I was in High School I always thought of being a Nurse because of my love for the human body and biology. I first started off taking courses at NWTC to become a phlebotomist and during my clinical for phlebotomy, I made my final decision to go for Nursing in the Fall of 2020. Fast forward to April 2024, I believe I am one of the best LPNs in my clinic, I've been nominated for 2 daisy awards, and I help patients on a daily basis with their needs. I never in a million years thought I would be the nurse I am today. I'd like to thank De Pere VFW Post 2113 for allowing me the opportunity, through their scholarship, to continue my education and advancement in my Nursing career.*
